

Registering for Netball with Donvale NC

****DNC registrations can only be made online via MyNetball.**

What is the process?

- If your daughter played netball in 2017 for Donvale, you will have registered online via MyNetball.
- The same process applies for 2018: input your login ID (email address) and password into the Online Rego form to register.
- If you cannot remember your login ID or password, please search by name and date of birth.
- If you are registering with DNC for the first time, please search by name and date of birth for the previous record.
- DO NOT CREATE A NEW RECORD IF YOU/YOUR DAUGHTER HAS PREVIOUSLY PLAYED NETBALL AT ANY CLUB. Doing so will create a duplicate record.
- Fees include the annual VNA fee – if you have already paid the fee for 2018 with another competition, it will automatically be deducted from your fees.
- Rep players should wait until the Association has registered them first; otherwise you'll end up paying the VNA fee and will need to be reimbursed.

What if I've forgotten my password?

- Click the link to reset your password in the Online Rego form. Please note that the reset password link takes you to a different website, and you must return to the Online Rego form to register.
- If you've changed your email address, please contact Lisa Jones at sandljones@internode.on.net, and she will confirm your details.

What if I have used the same email address for more than one player?

Not a problem; you will have access to both records but will need to register each player separately.

What if I can't find my MyNetball record?

Everyone who has played netball previously, anywhere in Australia (with the exception of some indoor netball comps) will have a MyNetball record. **Please do not create a new record unless the player has never played netball previously, including NetSetGo.** Creating a new record just creates a duplicate record, meaning all of your previous playing records will not be linked. If you can't find your record, check:

- Has your first name been shortened?
- Has your date of birth been input correctly?

If you still can't find it, please contact Lisa Jones at sandljones@internode.on.net.
