

# Registering for Netball with Donvale NC

**\*\*DNC registrations can only be made online via MyNetball\*\***

## What is the process?

- If your daughter played netball in 2019 or '20 for Donvale, you will have registered online via MyNetball.
- The same process applies for 2021: input your login ID (email address) and password into the Online Rego form to register.
- If you cannot remember your login ID or password, click the **Forgotten Login Details?** Button and search by name and date of birth.
- If you are registering with Donvale NC for the first time, or as a player for the first time, please click **Don't have a Login ID?** To firstly check for a previous record.
- **DO NOT CREATE A NEW RECORD IF YOU/YOUR DAUGHTER HAS PREVIOUSLY PLAYED NETBALL AT ANY CLUB. Doing so will create a duplicate record.**
- Fees include the annual NetVic fee – if you have already paid the fee for 2021 with another competition, it will automatically be deducted from your fees.
- Rep players should wait until the Association has registered them first; otherwise you'll end up paying the NetVic fee and will need to be reimbursed.

## What if I've forgotten my password?

- Click the link to reset your password in the Online Rego form (Forgotten Login details?) Please note that the reset password link takes you to a different website, and **you must return to the Online Rego form to register.**
- If you've changed your email address, please contact Lori Santolin at [Lorz5678@icloud.com](mailto:Lorz5678@icloud.com) and she will confirm your details.

## What if I have used the same email address for more than one player?

Not a problem; you will have access to both records but will need to register each player separately.

## What if I can't find my MyNetball record?

Everyone who has played netball previously, anywhere in Australia (with the exception of some indoor netball comps) will have a MyNetball record. **Please do not create a new record unless the player has never played netball previously, including NetSetGo.** Creating a new record just creates a duplicate record, meaning all of your previous playing records will not be linked. If you can't find your record, check:

- Has your first name been shortened?
- Has your date of birth been input correctly?

If you still can't find it, please contact Lori Santolin at [Lorz5678@icloud.com](mailto:Lorz5678@icloud.com) .

## How do I register a player?

Follow the Registration link on our website [www.donvalenc.com.au](http://www.donvalenc.com.au), and choose the appropriate product for the age group, and period (whole year or one season only). **Payment can only be made by debit or credit card.**
